HEIR IN ENGLAND

H. H. Wood, manager of the Goldfield Consolidated, received a letter from one of the new miners at Tonopah who takes with the millionaires of the west. This correspondence causes a more optimistic view of conditions and after dwelling on the merits of various properties, writes: "After my hearing it looks as if Tonopah is making more distinct in the extension of its mineral resources than the Bureau of Land Management. The Goldfield Athletic club's next mining show will be staged Friday night with a good program. Major Harrison, who means James Harrison in a ten round bout, was shown the Tonopah line and has a lot of class and that he will make a mighty good man to beat him.

Harrison arrived at the Northern yesterday and stayed up in the best of condition.
